OFFICE OF  
THE DIRECTOR

State Dept. declassification & release instructions on file

CONFIDENTIAL

DEC 31 1963

Dear Mr. McCone:

The planning phase for inspection in the Antarctica this austral summer season and the orientation of the Observers having been completed, it is my sincere desire to acknowledge the major contributions made by officers of the Central Intelligence Agency.

25X1A9a

[REDACTED] was especially effective and cooperative in both the planning and orientation phases. His presentation was particularly outstanding. In addition, other outstanding talks were given by:
